RUTEK

RUTEK START UP Z

RUTEK START UP Z is especially suited for injection into high calcium irrigation water for fertigation

When banded into calcareous soils RUTEK START UP Z can enhance nutrient availability especially phosphorus

RUTEK START UP Z enables nitrogen and phosphorus to be banded at higher rates with less chance of damaging seed

When RUTEK START UP Z is banded to 0.5cm below seed, rates of up to 40kg nitrogen per hectare can be utilised

ANALYSIS

	%w/v	g/L
Nitrogen (N)	10.0	100.0
Phosphorus (P)	14.0	140.0
Zinc (Zn)	5.0	50.0

GENERAL INSTRUCTIONS

MIXING; Fill spray tank with water then pour the recommended amount of RUTEK START UP Z on top of the water with the agitator running. Combination sprays- mix all products as recommended, fill spray tank with water, then pour START UP Z in last with agitator running.

COMPATIBILITY-RUTEK START UP Z is compatible with most insecticides, fungicides and herbicides. If RUTEK START UP Z is being applied in combination, check label "Recommendations for Compatibility". If in doubt mix a small amount in a glass tumbler and observe.

STORAGE AND DISPOSAL

Store in the closed original container, in a well-ventilated area as cool as possible. Protect from frost. Do not store for prolonged periods in direct sunlight.

Triple rinse containers before disposal and add hoses to tank mix or dispose of rinsate in a disposal pit away from desirable plants, their roots and watercourses.

On-site disposal of undiluted chemicals is unacceptable. Destroy empty containers by breaking, crushing or puncturing them. Dispose of the containers at a local authority landfill that does not burn its refuse. If there is no local authority landfill readily available in your area, bury the containers to a depth of 500mm or more at a licenced/approved disposal site. In some states wastes can only be buried at a licenced landfill. Do not burn empty containers or product.

SPILLAGE

Hose small spillage (less than 1 litre of concentrate) away with a large excess of water. Large spillage should not be directed to drains. Large spillage should be absorbed in sawdust or sand and the absorbent material containing the product disposed of in a sealed container at an approved disposal site.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT

Do NOT contaminate streams, rivers or waterways with the chemical or used containers.

SAFETY DIRECTIONS

Harmful if swallowed. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling. Avoid inhaling spray mist.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre Ph: 13 11 26. If in eyes, flush with water for 15 minutes and see a doctor.

EXCLUSION OF WARRANTIES AND LIMITATIONS OF LIABILITY

The purchaser acknowledges that no express or implied warranty, condition, description or representation is given or made by Rutek Pty Ltd (ABN 91 002 846 988) in relation to this product. To the maximum extent permitted by the law, all warranties, terms, conditions and any duty of care which would otherwise be implied or arise by operation of law, statute or use in relation to this product are hereby excluded as against any and all persons, whether purchasers of this product or not.

To the maximum extent permitted by law, Rutek's total liability to any person in connection with this product, whether arising from a breach of any express or implied term, condition or warranty, any duty of care or otherwise, other than any liability which by these terms or otherwise is excluded, shall not exceed the amount paid by the purchaser to the vendor for this product, whether or not such liability results from or involves negligence on the part of Rutek.
